MISSIONS COMMITTEE REPORT

In many ways 1966 has been a good year for our Association from the point of view of missions. We have had regular consistent giving to our mission program. Perhaps, we have had more of our churches to share in the work this year than in the past. We are grateful to God for the offerings thta have provided the funds for the carrying on of our work.

Under the able leadership of Mr. Eugene Hager, Superintendent of Missions, the work has moved forward in an orderly progressive fashion that is pleasing to all who observe it.

A School of Missions has been planned for October this year with some eighteen churches participating. This program will be most helpful to our people, and we trust that all of them will share in this School of Missions even if it is in a small way.

While our people of Neuse Baptist Association are to be commended for their financial support, prayers and cooperation, we should realize that we still have quite a way to go before we become fully self-supporting. This year State Missions is putting into our Association in pastoral salary aid and church lot aid $5,272. We are grateful to God for State Missions because of the great number of our churches that have received aid from this source.

Surely, it will be a time of rejoicing and thanksgiving when we, as an Association will be able to carry the full responsibility of our work. May God continue to bless us and may we move forward with and for Him.

Respectfully submitted,
Gilmer H. Cross, Chairman

SUPERINTENDENT OF MISSIONS' REPORT

During the past year the Association has offered several clinics and meetings designed to help you. Pershaps, the best response was to the VBS Clinic. We were happy with the good response to the two Five Year Program Clinics, also.

Personally, I feel that one of the big accomplishments of the past year has been getting our work and planning better organized. A word of appreciation is due in this regard to the fine officers and committee members serving the association this past year. I don't recall ever working with a more cordial, cooperative, and dependable group. Also, a word of thanks is due the First Baptist Church of Goldsboro for providing us with office space that is quite and comfortable.

There is one area of real concern to me at this time. And that is the low salaries of our pastors as compared with other associations in our state. I wish that somehow I could impress upon you the urgency of doing something about this. This responsibility is upon the shoulders of you who are laymen. Are you sure that your church is doing all that the Lord would have you do in the light of I Corinthians 9:14?

Here are a few statistics on my work for the past year:

Preached—34 times.

Taught Study Courses—3 times.

Participated in, led, or attended 55 meetings in Neuse Association.

Participated in, led or attended 29 meetings outside the association.

Rendered some kind of service in 23 of our churches and missions —more than once in many of them.

Conferences with pulpit committees or representatives—5 (perhaps more).

Radio devotionals—15.

Conferences: Individuals—741 plus; Group—75 or more; Committee—32.

Prepared this Book of Reports and other materials for Annual Meeting & Schools of Missions.

Traveled about 15,032 miles in my work.

Respectfully submitted,
Eugene B. Hager

EVANGELISM REPORT

This seems to be the age of rebellion. People everywhere are rebelling against constituted authority. Rioting mobs cover the streets at night in our large cities, firing guns at random and throwing fire bombs with precision. Lawlessness seems to be the order of the day. Man is bewildered and doped with despair. He searches for the answer but it seems to elude him.

Do we have the answer? We can positively say we do have the answer. God's answer is in New Testament churches, preaching the Gospel of Jesus Christ, preaching both by precept and by example. We must become living epistles, demonstrating Christ's love and power through the working of the Holy Spirit.

God's answer to the critics and persecutors of the Church has been the hot and holy fires of revival. From Penecost to the last real revival in the local church, God's answer has been conclusive and complete.

Southern Baptists' attention is directed to the Crusade of the Americas in 1969. Twenty-one countries are cooperating in the crusade. We must get ready. Our God is a God of planning and purpose. Now is the time to get every church committed to the crusade date for 1969.

We shall continue with our calendar of evangelism month by month, including our annual simultaneous, individual church, and area revivals.

Respectfully submitted,
J. Clyde Yates, Jr.

SUNDAY SCHOOL REPORT

The major Sunday School emphasis for 1966 has been that of trying to lead all church members to witness for Christ. Real growth will begin in our churches when people realize that this is the responsibility of all, instead of only a very small handful.

We have included the phrase "God and teach" in our Sunday School reports many times during the past years. But until every church takes seriously the Great Commission these words are nothing more than hollow and meaningless sounds that are quickly lost amid the din and confusion of the world around us.

Looking back over the past years we find that from 1964 to 1965, 19 of our 34 churches and missions showed a loss in Sunday School enrolment. This would indicate that approximately 56% of our churches lost a good source of contact with several hundred people.

Jesus tells us, "As my Father hath sent me, even so send I you." There are unsaved people in every community and these people represent a definite challenge to our Sunday Schools. Since we often see statistics which show us that a very large proportion of new Christians come to Christ through the Sunday School we must assume then that those whose names have been removed are, for the most part, a forgotten people.

We may have thrown many precious souls on the rubbish heap simply to make our Sunday School grades look better. Mr. Arthur Flake in his book, "Building a Standard Sunday School", says "No name should be dropped or lost from the roll because of grading. A name is not removed unless an individual has moved away, died, or joined another Sunday School."

Even though they were written 44 years ago, they are still words of wisdom to every pastor and Sunday School Superintendent. Our Denominational goal to reach 10,000,000 enrolment in Sunday School by the year 1970 can become a reality only if we as individuals will work with renew determination to make every church a visiting and witnessing church.

Respectfully submitted,
H. T. Waits

TRAINING UNION REPORT

These are challenging days for the ministry of Training Union. Many new ideas, new materials, and a new seriousness to our need for Christian training are coming to us through Training Union.

On the Associational Activities level we had a good year.

There were 244 present at the "M" Night meeting last Dec. 6 at Madison Avenue Church. An unusually large number of churches were represented to hear L. J. Morriss of the Program Services Department in Raleigh bring a challenging message.

Youth Night was held on March 19th at Neuse Chapel. There were 132 present with 13 churches represented. The program concerning "Vocations" was well planned and carried out by Rev. Charles Tanner, the Young People's Leader.

The Training Union Tournaments were held on April 17 at La-Grange Church. Though there were only a few active participants, many present expressed interest for the coming year. The Associational winners went on to the Regional Tournaments and represented Neuse Association quite well.

May I urge each church to buy the new Training Manuals which were published just this summer. They explain fully the new concepts and approaches of Training Union. The Association plans a clinic in these manuals this year.

Also, may I thank each of you for your prayers, assistance, and support in carrying on the Training Union work. I would like to pledge to you my best during the coming year; and beg you to support and use your Training Union as a means toward a more effective Christian witness through the local church.

Respectfully submitted,
George F. Turner

W.M.U. REPORT

It was with regret that the resignation of our Associational President, Mrs. Sue A. Pitts, had to be accepted because of her moving out of the state. This report, therefore, is made jointly by the Vice-President and President-elect.

During the year five Grace McBride YWA's attended the Medical Missions Conference at the Foreign Mission Board.

The Neuse Association YWA's held their annual banquet in Golds-

boro during their Focus Week in February. Mrs. Clarence Griffin was the guest speaker and 80 attended.

The GA Rally held during their Focus Week in May under the direction of Mrs. David Leary was attended by 244 girls and their leaders. Mrs. Sue Pitts, our President, brought the main address and several Auxiliaries helped with the program by the presentation of skits and special music.

The Annual Spring Meeting of the WMU was held in March at Union Church with 162 present. The program featured our Associational Superintendent of Missions, Rev. Eugene B. Hager, and a missionary message by Mrs. Nancy Hern who serves with her husband in Jordan.

Leadership training has received major emphasis during this year. At the Leadership Conference held at the beginning of this year, September, 1965, 225 women participated. During February two Associational Leadership courses were taught, with a total of 47 WMS, 1 YWA, 31 GA, and 18 Sunbeam cards of accreditation being issued.

Our various organizations have expanded and grown during the past year.

The WMU of the Neuse Association reached all Aims for Advancement to qualify as an HONOR WMU ORGAINZATION.

Respectfully submitted,

Mrs. Clyde Yates,
Acting President

Miss Lucile Reed,
President-Elect

BROTHERHOOD REPORT

1965-1966

The Brotherhood has held four quarterly meetings in the past year.

The first meeting of 1965-66 was our annual workshop, held in Adamsville Church, November 22nd and 23rd, where eight conferences were held each night for the various officers and leaders of individual Church Brotherhoods.

Our second Associational meeting was held in Kinston, at New Hope Church, on February 21st. The Christian Witness Leader, Mr. Alton Lee presented a very interesting and instructive program. We

had the largest attendance at this meeting of any during the year, both in number of men attending and the number of Churches represented.

On May 16th, our third meeting was with Immanuel Church in Kinston. The theme for this meeting was Stewardship, and the program was under the direction of Mr. B. M. O'Neal, the Stewardship Leader. He presented police type line-up, showing us how so many of our people are guilty of robbery, when we rob God of our time, our talent and our money.

On August 15th, our fourth meeting was held in Snow Hill. The program at this time was led by the World Missions Leader, Mr. C. M. Taylor. After viewing a film concerning the needs of different nations of the world in relation to Christ, Brother Taylor informed us of our need here in the Neuse Association, where the number of baptisms last year had decreased instead of increasing.

At this meeting the Nominating Committee presented its report of officers recommended for the year 1966-67.

On March 25th and 26th, your President attended the State Brotherhood Convention and Royal Ambassador Congress in Greensboro. At this convention, the name of the state organization and its constitution and by-laws were changed. A copy of the new constitution and by-laws is attached as a part of this report.

We had an increase this year of three new Brotherhoods, making a total of 18.

Let me encourage each pastor in the Association to support a Brotherhood Organization in your Church. An active Brotherhood will seek out the lost in your community and seek to win them, as well as supporting foreign missions.

Respectfully submitted,
A. W. Hill
Brotherhood President

CHRISTIAN LIFE COMMITTEE

In a changing world such as ours, and with people's minds so absorbed with wars, taxes, rising prices, and many other things it is easy to fail to see the inroads that gambling, drinking, Sunday desecration, and other evils are making in the lives of our people. We are too busy to stop and do serious thinking.

As your Christian Life Committee we wish to call attention to the softening up that we feel is now in progress in the "give aways" in connection with horse and dog racing on the TV programs.

It will be easier for the gambling interests to get racing legalized in North Carolina after we have become accustomed to seeing the races night after night.

We also wish to call attention to the liquor situation. We were told that the ABC system would help to control the liquor problem but it seems that the primary interest is to provide more outlets for more sales. The Wayne County record for the year 7-1-65 to 6-30-66 is as follows:

Sales of liquor and wine	$1,722,366.25
Net profit	225,713.48

It seems ironic that very small amounts are all that can be used for law enforcement, education and rehabilitation out of the $1,722,-366.25 of sales.

We love and believe in our young people and feel distressed when we read of some who have gotten out of hand. Perhaps a good part of the blame is on our shoulders, however, in that we have failed to provide challenges for them to use their energies in something constructive rather than destructive. Also, many times we have failed to set the right example for them in our daily lives.

For our racial problems we recommend that in dealings with our fellowmen, regardless of color, that the spirit of Christ be exemplified. If we do this then there will be no problems.

Respectfully submitted,
M. A. Shaver, Chairman

BIBLICAL RECORDER REPORT

It is generally acknowledged that North Carolina Baptists have in the BIBLICAL RECIRDER one of the finest religious journals in the south; but it is apparent that many of our Baptists in the Neuse Association may not know about this.

Figures from the RECORDER office indicate that only 21 of the 34 churches in the association participate in either of the two plans the RECORDER sponsors to encourage the people of our churches to read the magazine.

Nine of the churches have the RECORDER in the budget, so that it goes to all resident families. Twelve churches participate in the Club plan made up by four or more members of a church who wish to get the magazine. This leaves 13 churches not participating in either plan.

At the beginning of the year about 930 copies of the RECORDER were coming into the association; and it is estimated that the present figure is near 1,000. Last year's minutes show there were 7,122 resident members in the 34 churches; so if four members read each paper it means that about half of the members in the association do not see it.

We would urge those churches which have the club plan to encourage larger clubs, and those churches which do not participate at all would serve their churches and their people well by seeing to it that the RECORDER GETS INTO THE HANDS OF THE PEOPLE.

An informed people are an intelligent people; and an intelligent people are an initiating people — they get things done.

We have examined the financial records of the Neuse Baptist Association for the period from September 25, 1965 to September 25, 1966 and have prepared the accompanying statement of cash receipts and disbursements. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances, except that no verification was made beyond their records.

In our opinion, with the exception stated in the preceding paragraph, the accompanying statement of cash receipts and disbursements represents fairly the cash position for the period then ended.

EXPLANATION CONCERNING REPORTS AT ANNUAL MEETING

For some years associational leaders across the state have been wrestling with the problem of Annual Meetings packed with three and four minute reports from an ever increasing number of agencies, institutions, and causes. Many people have been complaining for several years that such a program is monotonous, tiring, and does not give time for a listener to learn much from any of the reports.

Some associations have eliminated these reports in whole or in part. In Neuse Association we do not want to do that. We would like to hear from all and with adequate time for a meaningful report. The solution seems to be to spread them over a three-year period. Last year the Program Committee tentatively began doing so. The program last year was so well-received that the policy was continued for this year's program.

Thus a three-year cycle for reports at our Annual Meeting would be:

1965 (repeat in 1968)

World Missions:
- State Missions
- Home Missions
- Foreign Missions

Cooperative Program

1966 (repeat in 1969)

Institutions:
- Baptist Hospital

Baptist Homes for Aging
Baptist Children's Homes
Baptist Colleges (Christian Education)

1967 (repeat in 1970)

Agencies, etc.:
Annuity Board
Baptist Foundation
Radio & Television Commission
American Bible Society
Baptist World Alliance

Note the extra time given each of these on the program for the year their report comes (the institutions this year). For the in-between years, we will continue to print their written reports in the Book of Reports. And we will continue to welcome their representatives to visit our Annual Meeting, be introduced, and be available for individual conferences during the meal hour, etc. But there will be no time for an oral message or report except every third year.

An exception would be made, of course, if some new program or urgent development occurred during a year that an agency or institution would not normally have time on our program. (This was done last year with the Annuity Board because of the Life Benefit Plan which was new and involved a deadline). Also, the Biblical Recorder is being allowed a few minutes each year to remind us that we can read about all of these institutions and agencies all through the year in its pages.

The district association is the oldest and perhaps most important unit of Baptist denominational life outside the local church. It had its beginning in America with the organization of the Philadelphia Association, with five churches, in 1707. The first Baptist Associations in the south were the Charleston (1751) and the Sandy Creek (1758).

The Association is the denominational organization closest to the churches. Its very closeness to the churches helps it to know better the needs and possibilities of each church. It also makes possible channels of communication between them and the various conventions and their agencies.

In the early days, the work of the association consisted largely of evangelism and establishing new churches. It has now come to include much more.

The basic philosophy of associational missions is that the association exists for the benefit of the churches. Because associational missions is designed to meet needs, it involves personnel, administration, materials, and activities. These, of course, involve finance.

To accomplish its true purpose for existence, your association needs your support. You can support it in the following ways:

1. Through your prayers.
2. By your attendance at associational meetings.
3. By your willingness to serve when you are called upon.
4. By sharing in the financial support of the association.

Much of my work cannot be expressed statistically. But here are a few statistics on that part of it which can be:

Preached—30 times.

Talks, speeches, prayer meeting conducted, etc.—39 plus.

Taught Study Courses—2 times.

Participated in, led, or attended 43 meetings in Neuse Association.

Participated in, led, or attended 30 meetings outside the association.

Rendered some kind of service in 21 of our churches and missions—more than once in many of them. (as many as a dozen or more times in some).

Conferences with pulpit committees or representatives—21 plus.

Radio devotionals—10.

Conferences: Individuals—884 plus; Group—75 plus; Committee—25.

Prepared this Book of Reports and other materials for Annual Meeting.

Traveled more than 14,430 miles in my work.

MISSIONS COMMITTEE REPORT

Perhaps the most significant event in our Association within the last twelve months was the Schools of Missions held October 17-21, 1966. Eighteen of our Churches and Missions participated, with eighteen missionaries from the foreign, home, and state fields. Never before has such an impact for missions been made across our Association.

The Pink Hill Chapel, sponsored by the Association, continues with slow progress. With a total of 325 prospects, of which 25 are unaffiliated Baptists and 250 are non-Christians, the future seems to hold promise of better things to come. Their membership has increased from 12 to 18 this year with Sunday School increasing from 32 to 40 members. This is a small work, but souls are

finding Christ as Saviour and the members are a most dedicated group. Thus, this work continues as a real mission challenge.

During this year, six of our Churches and Missions received Pastoral Aid from State Missions; Adamsville, Brookside, Neuse Chapel, Love Memorial, Pineview, and Pink Hill. The total amount received by these Churches was $4,524.00. Love Memorial and Neuse Chapel also received aid on the purchase of lots in addition to the above.

As may readily be seen, we still have a little ways to go before we shall be self-supporting in all of our work. Our people are to be commended for the excellent manner in which they have contributed this year to the causes of Christ in and through the Associational Missions Program. May God continue to bless us as we move forward under the able leadership of our Superintendent of Missions, Rev. Eugene B. Hager.

REPORT ON EVANGELISM

This past year the churches of our association baptized 302 persons. This represents a ratio of one baptism for every 32 members. We are grateful to God for every person who has been brought to confess Jesus Christ as Lord. We call upon our churches to give themselves to the work that brought Christ from heaven to earth, evangelism. Evangelism is the heart of our churches' existence. Evangelism must be a two-pronged thrust. We must publicly proclaim that Gospel, that is the power of God unto salvation, and we must personally win others to Christ. "Every Christian, a Witness" must be more than a slogan, it must be a reality in our lives.

Our churches face a tremendous evangelistic challenge in the Crusade of the Americas. This is more than just a two-week period of revivals. It is an emphasis on evangelism that should occupy our churches throughout 1968-'69 and '70. Our churches have been challenged by one of our mission fields, Brazil, to give ourselves to the work of evangelism and world missions for 1968-69. Some of the challenges in the Crusade of the Americas are:

NATION-WIDE EMPHASIS ON PRAYER: Two days of prayer, January 14, 1968 and January 12, 1969; PACT: A program of "prayer partners" with individuals, groups, and churches on the "Other Americas" initiated in July-August 1968; Watch Night Prayer Service December 31, 1968.

NATION-WIDE SEARCH FOR PROSPECTS: May-June, July-August 1968.

NATION-WIDE VISITATION WITNESSING: September-November, 1968.

NATION-WIDE CRUSADE OF THE AMERICAS REVIVALS: March 16-30; April 6-20; April 27-May 11, 1969.

NATION-WIDE EMPHASIS ON NEW MEMBER ORIENTATION: Following the Crusade of the Americas Revivals. Study of book "Daring Discipleship" and launch new member orientation.

SPECIAL EMPHASIS IN NORTH CAROLINA ON CHRISTIAN MATURITY: January 1-December 31, 1970.

Adequate guidance material for cooperation with and in preparation for the Crusade of the Americas is provided for us in the **1967-68 Evangelism Plan Book** already available to us and in the **1968-69 Evangelism Plan Book** which will be available after July of 1968 from the Division of Evangelism, 301 Hillsborough Street, Raleigh, North Carolina 27603.

SUNDAY SCHOOL REPORT

As reports have come in from the Churches and Missions of our Neuse Association we have a feeling of optimism regarding the Sunday School work for 1967. As you recall, last year our report reflected a drop in enrolment in over half of our Churches. We seem to be leveling off this year and by the time all reports are in we hope to show an increase in both enrolment and attendance.

However, we do not intend to dwell on what has passed, but rather to look to the future and search for more definite ways to be of real service to our cooperating Churches through their Sunday School organizations.

The Church, through its Sunday School is organized to reach people, both the redeemed who have neglected their Christian responsibilities, and the unredeemed, who need to be told of the love of Jesus Christ. Churches must seek the people because hundreds of thousands of people are **not** seeking the church. They must be prepared to give the people something that cannot be gained from any other source.

In order to do this we have recognized the need for better trained teachers. During the year plans were made for a Teaching Training Clinic. This Clinic, to be held at Adamsville Baptist Church, Oct. 30 through Nov. 1, will be aimed directly at the problem of how to prepare and present a lesson. Teaching the Bible in such a way that each pupil will receive the maximum benefit from those few minutes they spend in the classroom each week.

To be a real success it must result in more individuals committing their lives to Christ during this coming year and trying to walk in His footsteps.

H. T. Waits

TRAINING UNION REPORT

We as Southern Baptists should be keenly aware of the acute need for better trained leaders in our churches. With approximately one million new church members every year in the Southern Baptist Convention, the need for better trained leaders and a better way to train new members must be used by our churches.

We must ask ourselves the question, how many of these people will become active, dedicated workers in our churches? Surely if we delay on teaching them the meaning of church membership, the number will be small.

In the light of this, it is imperative that we carefully select ways to train our new members who may or may not become our new church leaders according to our training program.

We feel that training union, with many new programs and methods is the proper place to begin. Our desire is to see all of our churches training new members and seeking to get our present leadership better trained.

Our challenge to you is this — take time to read your training union magazines, manuals, and from these, select that which you feel would get the job done in your church. Start small, even with one person, and enlarge your training classes as interest grows. But by all means begin now to train your people to fulfill the mission of your church through better know-how. If we can be of service to you or your church, please call on us in the training union.

A resume of our training union year reveals the following information:

1. Mobilization Night was held at the First Church, Kinston with twelve churches represented and a total of 220 present. An excellent program was planned and executed, with the highlight of the program being the drama presented by the First Baptist Church of Kinston, under the leadership of Miss Lucile Reed. A similar program is planned this year.

2. Youth Night was observed at Adamsville Baptist Church with 170 present from fifteen churches.

3. The Training Union Tournaments were held at LaGrange with only three churches sending participants. However, those who took part did a splendid job.

In the Adult Scripture Reading Tournament, Ed Hill from Immanuel and Wayne Brooks from First Church, Goldsboro participated. Wayne Brooks was first runner-up in the regional tournament held at Grifton.

In the Speakers' Tournament Donnie Penny, Bill Carr from Immanuel and William Minear from Emmaus brought messages to the group present. William Minear was third runner-up at Boone.

There were no Intermediates participating in the Sword Drill. The Juniors were represented by Miss Terry Holland from Immanuel.

We hope to have the tournament material available at "M" Night which will be held this year at Kinston, First Baptist Church on November 27th. We encourage your church to be present at this meeting.

Respectfully Submitted,
Charles L. Tanner

NEUSE ASSOCIATION WMU REPORT

The task of Woman's Missionary Union is to teach the missionary message of the Bible. This is being done with great dedication by the women of most of our Neuse churches. Each year we hope to be able to say that we have organizations in all our churches. So far this is still a goal, but we pray that we may never lose sight of this goal and constantly strive to attain it. The importance of emphasizing missions cannot be recognized too often. This is primary.

The Neuse Association YWA's held their annual banquet at Hotel Goldsboro on Thursday, April 13, with 70 attending. Mrs. James Morehead, missionary to the Philippines, was the featured speaker. The associational organization met regularly.

The GA rally was held at New Hope Church in Kinston on May 20. 214 girls and their leaders made up a most enthusiastic group for a time of instruction, fellowship and fun, climaxed by an address by the State Girls' Auxiliary chairman, Mrs. Mary Stancil of Rocky Mount. Several GA's helped with the program.

The Annual Spring meeting was held with Rosewood Church on March 23 with 135 women present. New officers were elected and installed. The highlight of the day was a missionary address by Mrs. James G. Stertz of Wake Forest who with her husband served in West Germany as missionaries.

I commend to you the leadership of your new WMU president, Mrs. David Leary. The officers for the new year attended the State Workshop to prepare themselves for better leadership. Our prayer is that WMU in Neuse Association may experience renewed growth and effectiveness in the coming year.

Respectfully submitted,
Lucile Reed, President

BROTHERHOOD REPORT FOR 1966-67

The first quarterly meeting of the Associational Brotherhood was held on February 12-13 at First Baptist Church, Snow Hill. Fifty-one men participated in five conferences related to their work. Average attendance for the two nights was forty.

May 22 was the date of the second meeting held at Love Memorial Church. B. M. O'Neal, Baptist Men's President, conducted the meeting on the issue of Liquor-by-the-drink. The meeting was well attended.

August 21 a third meeting was conducted in First Baptist Church, LaGrange. The subject was "The Waiting World, Its Problems and Answers". The men viewed a film entitled "This Waiting World" after which Rev. Edwin Bullock, Secretary of the State Brotherhood Department, spoke on the subject, "This Waiting World, the Answer". A program of music was presented by the Neuse Associational Men's Chorus.

Fourteen churches have reported a Baptist Men's Organization this year. Ten churches report Royal Ambassador Chapters.

The following will serve as officers in the Brotherhood organization for 1967-68; Director—Rev. Lacy Oliver; Assistant Director—C. M. Taylor; Baptist

Young Men's President—Rev. Charles F. Hodges; Royal Ambassador Leader—Kenneth Taylor; Still needed is a Baptist Men's President.

The next Leadership Workshop is scheduled for November 20-21, 1967, at Pineview Baptist Church. I present this challenge for 1967-68: Five new Baptist Men or Young Men and five new RA Chapters.

Respectfully submitted,
W. H. Murray, Secretary

RESOLUTION COMMITTEE REPORT

Whereas the presence and leadership of God have been felt in the thirty-sixth Annual Session of the Neuse Baptist Association, your Resolution Committee wishes to propose the following:

1. Resolved, that the messengers of the Neuse Baptist Association do hereby wish to heartedly commend the Television Industry, as represented in this area by WRAL-TV, Raleigh and WNCT-TV, Greenville for their cooperation and support of the Christian witness through the telecasting on a sustained basis of the program, "Light unto Thy Path", and that we instruct our Clerk to forward copies of this resolution to the Television Stations mentioned above.

2. Be it also resolved that this assembly express its thanks to the people who make up the congregation of the Seven Springs Baptist Church, the Davis Grove Baptist Church, and the Mount Nelson Baptist Church together with their pastors for their hospitality.

3. Also be it resolved that we express our thanks to the Program Committee and those who have responded to them in preparing and presenting for us, a splendid program.

Respectfully Submitted,
J. C. Hill, Chairman

CHRISTIAN LIFE COMMITTEE

It is times like these in which we live that men need to stand up and be counted in the service of our Lord. Perhaps it is the illness of our time that more men are not doing this for fear of being classified as "fanatics".

The Christian Life Committee stood forth on only one of the issues of our day, as a committee, during the past year. This issue was alcohol.

The Christian Life Committee with the approval of Executive Committee went on record as opposing legislature allowing "brown-bagging" or "whiskey-by-the-drink". We wrote our law makers of this stand and encouraged our churches to do the same.

We also stated our support to our legislators to find better ways to enforce the laws against drinking drivers, to the arrest and conviction of such.

Perhaps as we allow the Almighty to lead us in the Crusade of the Americas in the next three or four years, we will as Christians see the need to be different, to be more Christlike and to stand up in strong opposition to the evils and injustices of our day.

May God help us as Christians to do our part in a day when the church is called upon to fulfill its mission through ministering to the needs of a lost and dying world.

CHRISTIAN EDUCATION REPORT

We have in North Carolina seven excellent schools which are under the auspices of the Baptist State Convention. In these trying times it is particularly important for us to offer to these schools the best possible support and encouragement. Our seven schools in North Carolina are: Campbell College, Chowan College, Gardner-Webb College, Mars Hill College, Meredith College, Wake Forest University, and Wingate College.

Clearly indicating the necessity for sound, basic, Christian education are the following paragraphs from a report of The Council on Christian Higher Education.

"Christian education historically has been one of the church's greatest expressions of concern for the total man. From the beginning Christians have always conceived that God would never leave himself without a witness to the dignity and the work of the mind, and that the special task of the Christian college is to transfer from generation to generation the great human heritage of wisdom and truth.

"The church has always insisted that the task of learning is appointed by God and will be conserved by God through all the generations to come as essential to man's completeness and happiness.

"And since we affirm that Jesus Christ is Lord of Life, we believe that the covenant community has an obligation in every area of culture.

"Therefore, the Christian college in the twentieth century has a message of hope and assurance for serious-minded youth who are asking significant questions. These young people are desperately seeking to find the meaning of existence in a world that their elders did not know, a world teetering on the brink of atomic destruction on one hand and staggering under the burden of universal military training on the other. There has never been such a time in the history of the world for a mission to the minds of young people as we now have in our Christian colleges."

Thomas H. Caulkins

EXPLANATION CONCERNING REPORTS AT ANNUAL MEETING

For some years associational leaders across the state have been wrestling with the problem of Annual Meetings packed with three and four minute reports from an ever increasing number of agencies, institutions, and causes. Many people have been complaining for several years that such a program is monotonous, tiring, and does not give time for a listener to learn much from any of the reports.

Some associations have eliminated these reports in whole or in part. In Neuse Association we do not want to do that. We would like to hear from all and with adequate time for a meaningful report. The solution seems to be to spread them over a three-year period. In 1965 the Program Committee tentatively began doing so. The programs since have been so well-received that the policy is continuing.

More time will be given each of these on the program for the year their report comes. For the in-between years, we will continue to print their written reports in the Book of Reports. And we will continue to welcome their representatives to visit our Annual Meeting, be introduced, and be available for

individual conferences during the meal hour, etc. But there will be no time for an oral message or report except every third year.

An exception would be made, of course, if some new program or urgent development occurred during a year that an agency or institution would not normally have time on our program. Also, the Biblical Recorder is being allowed a few minutes each year to remind us that we can read about all of these institutions and agencies all through the year in its pages.

NEUSE BAPTIST CAMP REPORT — 1967

CAMP COMMITTEE: Clyde Yates, Jr., Melvin Brown, Paul Mull

COMMITTEE MEETINGS HELD: May 29, June 1, June 21, July 10

AREA PASTORS MEETINGS: June 12 (Kinston); June 13 (Goldsboro)

PUBLICITY—through the Neuse Baptist, letters to pastors and church organizational heads, over 800 registration blanks distributed, postcards mailed to registered campers, schedules to pastors

CAMPS ENROLMENTS:

Girls — July 24-28 — 89 girls — 30 staff
Boys — July 31-Aug. 4 — 78 boys — 28 staff

Daily schedule included:

3½ hours classes and worship (varied daily)
2 hours swimming
2 hours directed recreation
1 hour free time
2½ hours meals

Parents Nights — Friday of each week: supper, and Awards Program

Meals — wholesome menu, varied, and well-prepared

RESULTS:

Seemingly enjoyed by the girls and boys
Professions of faith — 6 boys (pastors notified)
21 churches sent campers
14 churches provided staff members
10 pastors served

EVALUATION:

Pretty close records have been kept on finances, planning, program, menu, staff

Some of the staff turned in evaluations of the camp—a synopsis of these, with the Director's observations, is included in the camp records

Special suggestions—

1. Select next year's camp committee as soon as possible so can begin planning. Tuscarora open dates: Girls—July 29-Aug. 2; Boys—Aug. 5-9
2. Explore all possible dates and locations for suitable camp site so as to be able to reach the most boys and girls
3. If Tuscarora is used, check to be certain: camp is left clean by scouts, necessary keys and supplies are provided, the camp will not be used by any other group, the camp is left clean and in good order for the scouts
4. Provide a missionary for each week (who could possibly serve as camp pastor)

We are grateful to the staff for their time, effort and personal dedication to putting on a worthwhile camp:

Teaching—Rev. Melvin Brown, director, Mrs. Hilda Greer, Mrs. Melvin Brown, Mrs. Paul Mull, Rev. Roy Hood, Rev. Roldan DeWitt, Rev. M. L. Tyndall

—Many of these worked in 2 or 3 capacities, and some served both weeks. Appreciation goes to others who helped, including our Associational Supt. of Missions, Eugene Hager, and to guest missionaries and lay speakers. SUPERINTENDENT OF MISSIONS' REPORT

As many of your know, your Superintendent of Missions has been taking pictures all through the year in preparation for a slide series on Neuse Baptist Association. It is almost complete. When it is, narration will be recorded on tape and the slide set along with the narration will be available for use in local churches, Vacation Bible Schools, and wherever a presentation on associational missions is needed.

This has been the busiest year for me since I first entered associational missions work 9 1/2 years ago. There was more to be done than I could do. For this reason, your Missionary, the Missions Committee, and the Budget - Finance Committee are suggesting provision for part time secretarial help for the coming year. We feel that secretarial help for two or three mornings per week plus additional

time just before the Annual Meeting will be sufficient for the present.

During the coming year the Activities Committee and I plan to meet regularly for study, planning, and coordination of associational work. We will work together as a team -- as a sort of unofficial associational staff. We feel that this will help us to understand better the purpose of the association and to do a better job of serving the local churches. This will make possible some long range study and planning similar to that being done by the Southern Baptist Convention looking toward the 1970's.

Much of my work cannot be reported statistically. But here are some statistics on that part of it which can be:

Preached -- 26 times.
Talks, speeches, prayer meeting conducted, etc. -- 34 plus.
Taught Study Courses -- 8 times.
Participated in, led or attended 37 meetings outside the association.
Rendered some kind of service in 24 of our churches and missions (two or more times in 17 of them; five or more times in five of them).
Conferences with pulpit committees or representatives -- 17 plus.
Radio Devotionals -- 5.
Conferences: Individuals -- 980 plus (884 plus last year)
Group -- 77 plus
Committee -- 52 (25 last year)
Prepared this Book of Reports for Annual Meeting and other materials during the year.
Traveled more than 13,810 miles in my work.

Respectfully submitted,
Eugene B. Hager

MISSIONS COMMITTEE REPORT

This year has seen your Committee facing several areas of responsibility. The most far-reaching concerned the threefold task adopted for it by the Executive Committee in December 1967. It was as follows:

1. The Missions Committee should initiate action to discover the source of responsibility for the Pink Hill Chapel.

2. The Missions Committee, the Sunday School Department, and the Superintendent of Missions of the Neuse Baptist Association should take a thorough survey of the Pink Hill Community; and based on the findings of the survey, the Missions Committee should report back to the Executive Committee with concrete recommendations as to the future of the Chapel at Pink Hill.

3. The Missions Committee should encourage the Association to establish definite guidelines for any mission work sponsored by the Association in the future.

There followed many meetings and the gathering of information. A "Survey" was taken of the Pink Hill Community on Sunday, January 1, 1968, and a special meeting held with the members of the Chapel on February 28,1968, to discuss the findings of the survey. It was felt by all present that "the finances needed to undergird the future of the work there was totally beyond the ability of the members to even consider, and were out of line with the "older" demands of the Associational Budget." This, because the membership possibilities for the future seemed to be greatly limited, if not entirely lacking.

In view of the above information, your Missions Committee presented to the Executive Committee its report at the May 1968 meeting. This report answered the first two items assigned it in December, 1967. Number One: The source of responsibility rested in the Executive Committee, with the Missions Committee acting as its "Supervisor." Number Two: Your Missions Committee recommended that "all existing arrangements, agreements, and/or relationships, existing between the Pink Hill Chapel, and the Neuse Baptist Association be severed as of September 30, 1968. With deep regreat, this two-fold report was adopted by the Executive Committee on May 4, 1968.

During the year, five of our Churches and Missions received Pastoral Aid from State Missions: Bethany, Love Memorial, Neuse Chapel, Pineview, and Pink Hill. The total amount received for this purpose was $4,000.00, or $444.00 less than last year. In addition, Neuse Chapel received $1,000.00 for Lot Aid, and our Superintendent of Missions' salary received a supplement of $1,080.00. This made a total of $6,160.00 which our Association received from State Mission Funds.

There are two areas of concern which your Missions Committee would like to share as recommendations for study and report in the year 1968-69:

1. The establishment of definite "Guidelines for Any And All Mission Work Sponsored by the Association."
2. A survey of the needs for; the ability to meet these needs; and the initial steps to implement action, in the area of Day Care Centers in our Associational Area.

E. Gordon Conklin, Chm.

REPORT ON EVANGELISM

The first great responsibility of Baptist today is to proclaim the message of the Gospel clearly, plainly and under the empowering of the Holy Spirit. The second is to see that the new life and purpose of God found in Christ is in the foreground of all our motives, attitudes and actions in personal, cultural, and organizational life and that this involves us in helping meet the needs of all people. To express the same things another way is to say evangelism is our first great responsibility and the second is to follow our Lord Jesus Christ obediently, as taught in the Scriptures, that the true fruits of evangelism may issue from our total lives. Therefore, it must be out of utmost concern to every Spirit-filled Baptist to know there is a reliable source of divine knowledge found in the Bible. To preach the Gospel of Christ one must know what the Gospel is, and this God has revealed and written for us in the Bible.

To move with God this year and next in the Crusade of the Americas means that we must be diligent in searching the Scriptures and proclaiming the glorious Gospel of Christ revealed therein; and that we must walk daily with God in the fellowship of prayer. Leaders in the churches must make sure these two most vital matters are constantly practiced in their lives and that these matters are always kept before the people in the churches. This done faithfully and sincerely day by day across the weeks and months will bring individuals and churches into vital relationship with God.

It is urgently important that every church be confronted with the opportunity and responsibility of participating with other Baptists across the Western hemisphere in prayerful concern for a spiritual awakening to be experienced in the simultaneous revival meetings next spring. Messengers of this association are therefore urged to see that every church rightly faces this challenge. For details on the Crusade consult

the GUIDEBOOK FOR BAPTISTS OF NORTH CAROLINA which has been mailed to all pastors, Sunday School Superintendents, Training Union Directors, WMU Presidents and Brotherhood presidents.

In our association the following churches have voted to participate in the Crusade:

Adamsville

Glen Raven

Neuse
Rivermont
Spilman

As soon as a church votes to participate, the Associational Chairman of Evangelism should be notified.

Respectfully submitted,
J. Clyde Yates, Jr.

SUNDAY SCHOOL REPORT

The theme for 1967-68 has been based upon the task of ministering to the needs of people within the Church. In order to assist the local church in filling this responsibility the Associational Sunday School Department started the year with a Teacher Training Clinic which was held at Adamsville Baptist Church, October 30 through November 1, 1967. The response was very good with attendance far above our advance estimates and trained workers from the State Convention Sunday School Department led the clinics for the various age-groups, providing quality training in the mechanics of teaching.

In addition to this the staff of the Associational Sunday School Department assisted in a community survey of the Pink Hill community and the surrounding area. Their services were made available on an individual basis to the Churches and Missions of our Association. We continue to encourage churches to call upon us whenever there is a need that can be met on the Associational level.

At the end of the reporting year there was an increase in enrolment of approximately 181. We hope that this trend will continue throughout the coming year and that our Churches will work to make their Christian witness felt throughout their respective communities.

Every Sunday School Superintendent should be encouraged to think in terms of individual souls rather than cold and lifeless statistics, for the Sunday School in the life line that extends out from the church and into the homes of many people who need to receive our Christian witness.

TRAINING UNION REPORT

As in recent years there have been three major emphases made this year in Training Union work in Neuse Association.

1. "M" Night. The Attendance this year rose to 251, an increase of 31 over 1966. The program was arranged in such a way as to be both interesting and informative. The theme was "Every Christian Trained to Minister" with First Baptist Church of Kinston doing an excellent job with the drama, "Who Cares, Anyway?" Wayne Brooks, winner of the adult Bible reading tournament from First Church, Goldsboro read our scripture and William Minear of Emmaus gave his winning speech for the Young People's Speakers Tournament. Immanuel of Kinston had 49 present which was 61% of their enrolment, highest in both areas. They relinquished the percentage banner to Emmaus. A total of sixteen churches were represented.

2. Youth Night. The Youth Night program was held in the New Hope Baptist Church of Kinston with a total of 245 present representing 18 churches. Goldsboro First had the largest number with 34. The program was centered around two filmstrips entitled "I Never Looked At It That Way Before," with buzz sessions being held for each age group. For the first time in recent years Youth Night began with a hot dog roast. Frosty Morn donated the weiners which helped a great deal in the expense department. M.O. Sears closed the program with a timely message to the young people present.

3. Tournaments. The tournaments were held in the LaGrange Baptist Church. Attendance was off. Mr. George Bain was unopposed in Adult Scripture Reading. Miss Nancy Taylor, First Church, Goldsboro was speaker for the younger group and was also winner in the Regional Tournament at Jacksonville April 1. Mike Minear spoke for the older group. Mike is from Emmaus. George Bain is from First Church Goldsboro. Let us resolve, even now, to go back to our churches and begin making plans for fuller participation to build up our tournaments and other events for next year. It will cost much in effort and planning, but with more enthusiastic participation we can bring glory upon the Kingdom of God more creditably.

Training Union is changing for the better and we hope our churches will accept the changes being made and will make training union a more vital part in the life of our churches. Let us strive to make the next our greatest ever in the training of Christians to do the task our Lord has given us. The condition of the world makes this imperative.

Respectfully submitted,
Charles L. Tanner

WMU REPORT

The purpose of the associational WMU is to assist the church WMU's in performing their four basic tasks: (1) Teach missions; (2) Lead persons to participate in the missions; (3) Provide organization and leadership for special missions projects; (4) Provide and interpret information regarding the work of the church and denomination.

The Spring meeting of the WMU of Neuse Association met at Madison Avenue on March 28. Mrs. Frank Gilreath, North Carolina WMU Mission Action Director, presented the new WMU plans. The Reverend Gilmer Cross delivered an inspirational message on the theme of the meeting - "Who Will Answer?"

Miss Mary Hester Powell, missionary nurse to Nigeria, was the guest speaker at the Associational YWA fall council meeting held at New Hope. Mr. Ned Beatty, Secretary of the Military Ministry of North Carolina, addressed the YWA banquet held at Wilbur's Restaurant in Goldsboro.

Members of the Associational GA were impressed with the display boots of various

countries at their rally this past spring. The rally was held at Pineview. Eugene B. Hager, Superintendent of Missions for the Neuse Association, showed a mission filmstrip.

The Sunbeam Day Camp was held at Kennedy Home on August 17. Mission study, music, creative activity, and a nature tour held the attention of the children during the day.

The "new" WMU, WMS, YWA, GA, and Sunbeam Basic Leadership Courses were taught at Spilman church in September.

The Neuse Association abounds with Christian women of all ages whose concern for all people everywhere will - in the near future - be felt in a stronger and more vital way as we attempt together and seeking God's guidance to carry out a program of work geared to the world of today.

RESOLUTIONS COMMITTEE REPORT

WHEREAS, we, the messengers of the Neuse Baptist Association meeting at the Falling Creek Baptist Church on October 23, 1968 have been greatly blessed through the hospitality of the host churches and the program which we have enjoyed in the current session of the Association;

Be it therefore resolved that we express our appreciation to the pastors and members of the Sandy Bottom and Falling Creek Baptist Churches for their hospitality and generosity to us;

to the Superintendent of Missions, the Associational Officers and the Associational Program Committee for the program which we have enjoyed; and to those who have come to us from outside our Association for their information and inspiration to us.

WHEREAS, we, the messengers of the Neuse Baptist Association meeting at the Falling Creek Baptist Church on October 23, 1968 are deeply concerned over the divisions within our land in the current political campaign;

Be it therefore resolved that we urge each member of each church affiliated with this Association to exercise the utmost of the Christian love and forbearance in our conduct during the campaign and in our voting on Nov. 5th.

WHEREAS, we the messengers of the Neuse Baptist Association meeting at the Falling Creek Baptist Church on October 23, 1968 are greatly concerned over the continuation of the war in Viet Nam with the resultant loss of life and serious injury of many of God's children as well as the destruction of their means of livelihood;

Be it therefore resolved that we urge each member of each church affiliated with this Association to pray for the continued activity of the Holy Spirit in the negotiations which are taking place in Paris and in the councils of state of the respective nations to bring about a swift and just end to this conflict.

Respectfully submitted,
R.D. Davis, chm.

REPORT OF THE ORDINATION COMMITTEE

The Ordinations Committee of the Neuse Baptist Association was not called during the Associational Year 1968. However, the Emmaus Baptist Church invited the members individually to take part in the examination of Airman Michael Minear on May 29. The Chairman of the Associational Committee was elected to moderate the

ordination council and he joined with the other members of the council in their unanimous recommendation that Airman Minear be ordained which was done on June 2.

Respectfully submitted,
Robert D. Davis, Chm.

COOPERATIVE PROGRAM REPORT

The Cooperative Program is the plan developed by Southern Baptists under the leadership of the Holy Spirit for financing denominational ministries both at home and on mission fields around the world. It is a plan of cooperation through which individual Baptists, churches, state conventions, denominational institutions, and the Southern Baptist Convention combine their efforts and resources for a world-wide witness and ministry in the name of Christ. We, as Southern Baptists, have learned long ago that we can accomplish more for Christ through working together than one single church can do alone.

The Cooperative Program is you, the individual Baptist. It is faith in action. It is love reaching out. It is you multiplying yourself in many places for Christ.

The Cooperative Program provides the church with a simple and practical tool for distributing mission funds equitably among all Baptist agencies and institutions ministering in Jesus' Name seeking to advance His Kingdom on earth. Every Baptist agency is greatly strengthened for its ministry by the regular and dependable support provided through the Cooperative Program. It is the life-line of support for all our work.

The Cooperative Program is scriptural, democratic, regular, efficient, unifying, and personal.

Many churches have found it better to put the Cooperative Program in the church's budget for a definite percentage of the total budget, rather than a fixed amount of dollars. In this way the gifts to missions will rise and fall with the offerings. The percentage plan furnishes a measure and guide which is clear, and this makes it easy to see what is being done at a glance.

Messengers from the churches of the Neuse Baptist Association are requested to do everything possible to make the Cooperative Program understood in the individual churches and to promote the giving of a larger portion of the offering plate dollar to world missions through the Cooperative Program.

Respectfully submitted,
Law M. Mobley

CHRISTIAN LIFE COMMITTEE

There is a never ceasing urgency to apply Christian principles of life and faith to every area of life. The church has a responsibility to come to grips with the difficult crucial issues of our day. Thoughtful study, prayerful consideration and concrete Christian action and attitudes concerning moral issues of our age is not an optional assignment for Christians. Letting the spirit of the risen Lord aid us in addressing ourselves to ethical problems all the way from the individual to the global scale is a calling of God to every Christian in every way.

There is a need for basic information and constructive and practical plans of action on such subjects as school, honesty, peace, poverty, gambling, race relations, juvenile deliquency, pornography, mass media, communism, etc. Baptists can think

through these issues with assistance from a number of sources under the guidance of the Holy Spirit. We, as Southern Baptists, have the Christian Life Commission serving as our denominational agency through which we can have added information and resources at our disposal as we consider Christian faith and appropriate action.

Last year the Commission's written materials reached a new high of 71,290,000 in circulation in addition to more than a quarter of a million pamphlets provided for churches and their organizations.

Each moment presents us with the challenge for broader, more effective and informed ministries and witnesses to our world. Under God and for His sake may we be faithful stewards of our Christian witness in our Christian life and action.

Roland DeWitt

FINANCIAL STATEMENT

We have examined the financial records of the Neuse Baptist Association for the period from September 25, 1967 to September 25, 1968 and have prepared the accompanying statements of cash receipts and disbursements. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances, except that no verification was made beyond their records.

In our opinion, with the exception stated in the preceding paragraph, the accompanying statement of cash receipts and disbursements represents fairly the cash position for the period then added.

MEMORIAL SERVICE

The BIBLE tells many things about the life after death. Blessed are the dead which die in the Lord from henceforth: Yea saith the Spirit, that they may rest from their labors; and their works do follow them. Rev. 14:13. In the parable of the Great Judgment, the Lord says to those on His right hand "Come ye blessed of My Father, inherit the kingdom prepared for you from the foundation of the world." Over radio and television we hear the recorded voices of those who have passed on. The writer of the Book of Hebrews, in calling the roll of Faith, says, "They being dead yet speak." When we seek to know and do the will of God it is encouraging and comforting to know that our efforts will bear fruit long after we are gone and will continue until the end of time. Following are the names of those who have gone on from the rolls of the churches of this Association. Some day the name

of each of us will appear on such a report. May we so live now that we will receive an abundant entrance to the glories of Heaven.

Herman Lineberger, pastor of First Church, Deep Run, brought the annual sermon on the theme, "Living the Spirit of Christ in Belief and Relevance." He used for his scripture, Romans 5:8. He said that the Gospel is relevant in our day and in our world, that the church of today is changing and that it has the resources to meet the changes of the world.

34. Earl Farthing gave instructions for the noon meal, then led in the benediction and blessing.

AFTERNOON SESSION

42. "Stand Up, Stand Up for Jesus" was then sung by the Association, led by Clyde Patterson.

43. Charles Hodges then presented Dr. W.K. Mc Gee, Director of Denominational Relations at the Baptist Hospital, who prepared the denominational emphasis for this session, which was the Baptist Hospital.

MISSIONS COMMITTEE REPORT

The year of 1968-69 has been one of comparative calm for your Mission Committee. There has been little or no "outside" work done in the way of surveys or the opening of new areas of work.

As a follow up of the recommendations passed on to us from last year's Committee, there was some information gathered and studied concerning the establishment of definite "Guidelines For Any And All Mission Work Sponsored By The Association." However, there are no recommendations at this time. More study needs to be given this matter, and it is hoped that next year's Committee will be able to follow through on the matter. We were asked to make a survey of the needs for; the ability to meet these needs; and the initial steps to implement action, in the area of Day Care Centers in our Associational area. Due to the fact that Mr. John Norman accepted a call to serve in Texas in February, 1969, your Committee lost his much needed leadership in this specialized area, and regret that it has done nothing concerning this matter.

In the later months of this Associational year, your Missions Committee, in conjunction with the Budget Committee promoted the relocation of the Associational Office to the Hollowell Office Building. It was the thinking of your Committee that this new location would be more accessible for those needing to visit our Superintendent of Missions, and would also provide the additional office space needed at this time.

During the year, four of our churches and missions received Pastoral Aid from State Missions: Bethany, Calvary Center, Love Memorial and Pineview. The total amount received was $4,488.00 or $1,488.00 more than in 1968, but not up to the $4,524.00 of 1967. In addition Immanuel received $1,500.00 for lot aid, and our Association received a supplement of $900.00. This makes a total of $6,888.00 that was given back to our Association from State Missions funds.

I want to thank all of our people and the members of the Committee for the wonderful cooperation I have received during the several years I have had the privilege of serving on this Committee. My prayer is that God shall continue to bless us as we move forward under the able leadership of our Superintendent of Missions, Rev. Eugene B. Hager.

Respectfully submitted,
E. Gordon Conklin, Chm.

SUPERINTENDENT OF MISSIONS' REPORT

Preparation for the 70's is one of the biggest projects undertaken by Southern Baptists in years. Never before has such an effort been made to plan ahead - to prepare for the future. Forty study groups composed of 15 people each made up the teams that were assigned the task of studying the basic areas of work for the church in the 70's.

Your Superintendent of Missions has already attended several conferences on the 70's, so have several other of our associational officers. During the coming year the other associational officers and I will be planning activities to help you and your church get ready for the 70's. This will be the association's main emphasis for the next few months. We urge you to take full advantage of each opportunity offered. If you need further help please call on us.

During the past year with part-time secretarial help more work here in the office has been done, and done more efficiently. This has freed me to render assistance to churches and pastors more frequently than I could have otherwise.

Much of my work cannot be reported statistically. But here are some statistics on the part of it which can be:

Preached - 60 times.

Talks, speeches, prayer meeting conducted, et. - 39 plus.

Revivals - 3.

Taught Study Courses - 2.

Participated in Deacon Ordination Services - 2.

Participated in, led, or attended 45 meeting in the Neuse Association.

Participated in, led, or attended 34 meetings outside the association.

Rendered some kind of service in 27 of our churches and missions (two or more times in 17, five or more in 8).

Conferences with pulpit committees or representatives - 21 plus.

Radio Devotionals - 10.

Conferences: Individual - 1,241 plus, (980 plus last year); Group - 128 plus, (77 plus last year); Committee - 36.

Helped register boys and girls for camp.

Prepared this Book of Reports for Annual Meeting and other material during the year.

Traveled more than 14,269 miles in my work.

Respectfully submitted,
Eugene B. Hager

REPORT ON EVANGELISM

The simultaneous revival meetings held last spring as a part of the Crusade of the Americas, bore evidence of being genuine spiritual revivals. In most cases where God's people sowed bountifully, they reaped gloriously.

Our total number of baptisms for the church year 1969 was 421; this represents an increase of 41 over 1968. The combined church membership of the Neuse Baptist Association now stands at 10,391; this in an increase of 227 over last year. We praise the Lord for these victories in Christ.

As we face the future in evangelism we should take note of what happened this year where outstanding revivals were experienced. This will give us some guidelines for future plans in evangelism:

1. In every church where an unusual revival was reported there had been an unusual prayer concern and prayer participation across several months on the part of

church leaders and members. This definitely says something to us for the future.

2. Some of our greatest revivals started among the young people of our churches. It is encouraging to know that when young people offer themselves to God, as many are doing, revivals break forth in the churches. Let's involve our young people in the course of Christ through our churches.

In the light of what we have seen this year, here are some suggestions for the future:

1. Let us settle in our minds once and for all that Christ is the only hope for our world - Christ as He and His gospel are revealed by the Holy Spirit through the Bible, the inspired and inerrant Word of God.

2. Let us daily search the Scriptures and pray for spiritual revival in our churches. Some have made a beginning in this vital matter and all Christians should join them and continue steadfastly therein.

3. Let us proclaim faithfully "publicily from house to house" (Acts 20:20) the glorious gospel of Christ, and make this purpose central in all church plans, programs and activities.

4. We urge that every pastor who can possibly do so, attend the State-Wide Evangelism Conference at the War Memorial Auditorium of Greensboro on February 2-4. Take some of your lay-members with you; let them feel the fires of evangelism burn in their souls too.

We commend Dr. Julian Hopkins for his fine work as Director of Evangelism in the past. We welcome his successor, Rev. William C. Lamb and look for great work to be continued under his leadership.

SUNDAY SCHOOL REPORT

In keeping with the shift in population that has been evident throughout the nation during these recent years, we are continuing to experience a decline in both Sunday School enrollment and attendance, especially among those churches in the rural areas of our association. At the same time several of our larger churches have revised their rolls, thus causing a marked decline in total enrolment for the past year. Although ten churches reflect an increase in total enrolment, the reports for 1969 show a loss of 408 members, bringing out total enrolment down from 8,410 to 8,002.

Recognizing the responsibility of every church member to seek out and report prospects for the Sunday School we call upon the churches of our association to plan a definite program of outreach for this new year that lies before us.

During the past four years we have experienced a loss of more than 100,000 Sunday School members in the Southern Baptist Convention alone. Unless we make plans to halt this decline we are surely going to lose even more in the years ahead. For we are living in a world rocked by social upheaval such as man has never experienced before. We are faced with criticism from people who are looking for answers that we don't provide and we live in a nation of people who are preoccupied with material gain.

The Seventies will bring about tremendous changes in both methods and materials. And the churches across our land who sincerely want to meet the needs of those who live within their realm of influence must either change or die.

H. T. Waits

CHURCH TRAINING REPORT

In times like these, Church Training is essential and vital to the on-going of Christ's Kingdom. We need to carefully train as Christ trained His disciples before He sent them out. We have 35 churches and missions in this association, with 17 reporting Church Training Programs, giving a total enrollment of 1397. These churches and individuals have recognized the seriousness of committing themselves to an ongoing training program - the price for being more useful servants of our Lord Jesus Christ.

In some repsects this has been a most gratifying year. "M" Night was held at Goldsboro First, and well attended with 185 present. Clyde Patterson, Roger Williams, M.O. Sears, Larry Austin, Gordon Flesher, and the youth and choir from Goldsboro First are to be thanked for their assistance in making this a meaningful meeting. Youth Night went well at Madison Avenue with 146 present. Melvin Brown was in charge, and assisted by Tony Hill, Earl Farthing, and a group of Young People from Goldsboro First. Miss Nancy Taylor won the Associational and Regional Young People Speakers' Tournaments and went on to do well in the State Tournament. A New Members' Training Clinic was held at New Hope, with 17 pastors and church leaders present. Maurice Cooper from the Church Training Department led the clinic. Glen Raven was assisted in starting a Church Training Program. Yes, in these respects the year was a gratifying one - but it has also been disappointing to see an indicated decline of thirst for church training. This is indicated by the decline of enrollment and attendance. Church Training is not irrelevant, nor is it out of date or through. If we stop training, soon, we as churches probably will be through in influence. This hour and the "Seventies" demand our best to be laid on the alter of God. May it be that we will continue to pray and work, trying to strengthen, until all for whom we are responsible are being reached by our Church Training Program.

With thanks and appreciation to co-workers Larry Austin, Clyde Patterson, Roland Dewitt, and Charles Tanner this report is,

Respectfully submitted,
Elliott Hill

AUDITOR'S REPORT

We have examined the financial records of Neuse Baptist Association for the period from September 25, 1968 to September 25, 1969 and have prepared the accompanying statement of cash receipts and disbursements. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances, except that no verification was made beyond their records.

In our opinion, with the exception stated in the preceding paragraph, the accompanying statement of cash receipts and disbursements presents fairly the cash position for the period then ended.

EXPLANATION CONCERNING REPORTS AT ANNUAL MEETING

For some years associational leaders across the state have been wrestling with the problem of Annual Meetings packed with three and four minute reports from an ever increasing number of agencies, institutions, and causes. Many people have been complaining for several years that such a program is monotonous, tiring, and does not give time for a listener to learn much from any of the reports.

Some associations have eliminated these reports in whole or in part. In Neuse Association we do not want to do that. We would like to hear from all and with adequate time for a meaningful report. The solution seems to be to spread them over a three-year period. In 1965 the Program Committee tentatively began doing so. The programs since have been so well-received that the policy is continuing.

More time will be given each of these on the program for the year their report comes. For the in-between years, we will continue to print their written reports in the Book of Reports. And we will continue to welcome their representatives to visit our Annual Meeting, be introduced, and be available for individual conferences during the meal hour, etc. But there will be no time for an oral message or report except every third year.

An exception would be made, of course, if some new program or urgent development occurred during a year that an agency or institution would not normally have time on our program. Also, the Biblical Recorder is being allowed a few minutes each year to remind us that we can read about all of these institutions and agencies all through the year in its pages.

1970 (repeat in 1973)

Agencies, etc: Annuity Board; Baptist Foundation; Other agencies or departments that may need to report; American Bible Society

1971 (repeat in 1974)

World Missions: State Missions; Home Missions; Foreign Missions; Cooperative Program

1972 (repeat in 1975)

Institutions: Baptist Hospital; Baptist Homes for Aging; Baptist Children's Homes; Baptist Colleges (Christian Education)

DIRECTORY OF THE CHURCHES

NOTE: In preparation of the Church Directory we listed all officers not mentioned in the Associational letter. However, when names of office were not included in letter we deleted same from the Annual. The Directory is as full as we received them from the Churches.

PROCEEDINGS

1970

First Session

TUESDAY EVENING

1. The 41st Annual Session of the Neuse Baptist Association was called to order at 7:30 p.m. on October 27, 1970, by the Moderator, Charles Hodges, at the Emmaus Baptist Church. The Bell Choir from First Baptist Church, Kinston, under the direction of Mr. Herbert Joyner, brought the worship service rendering many familiar hymn arrangements as well as several compositions written for Bell Choirs specifically.

2. The opening prayer was given by Rev. Robert E. Lee, pastor of Calvary Baptist Church, in Goldsboro.

3. The Moderator declared that the 41st Annual Meeting was in session to conduct business. He expressed the thanks of the Association to Herbert Joyner and his group of young people for the excellent way in which they played.

4. Rev. Bill Martin, pastor of Emmaus Baptist Church, extended a welcome to all present.

5. David Leary, Vice-Moderator, moved that we adopt the printed program, with any needed changes that may be necessary, as our order of business for the session at Emmaus tonight and at Spilman Memorial Tomorrow. The motion was seconded and carried.

6. The Moderator presented the first speaker for the denominational emphasis, Mr. Joseph Stroud, Secretary of the Department of Music of the Baptist State Convention. Mr. Stroud spoke on the topic of "Church Music and Worship." He pointed out that there were three "books" necessary for the successful operation of a church - the Bible, the pocketbook, and the Hymn Book. Also he pointed out that music, to be effective in worship, must bring all into the presence of God, inspire people to a new dedication to God, and teach Christian truths. "May God help us use music with a deeper sense of purpose.", Mr. Stroud said.

7. BUSINESS SESSION. Eugene Hager recognized new pastors and staff members in the Association.

8. The Moderator recognized visitors to the meeting who were not Baptists or were from other associations. Mr. Joseph Stroud, who had spoken earlier was recognized along with his wife and Mr. Calvin Knight, pastor of Weldon Baptist Church, Weldon, N.C., was present as a representative of the Baptist Hospital.

9. James Hathorn read the Constitutional changes and amendments for the evening session.

10. M.O. Sears brought the report of the Committee on Committees as listed on page 18, Book of Reports, calling attention to the fact that there were four vacancies, three on the Music Committee and the Chairman of the Camp Committee. Mr. Sears moved that the report be received with the hope that the other positions would be filled at a later date. This was seconded and carried. No other nominations were made so the motion was made to elect these by acclamation; seconded and carried.

11. The Summary of the Executive Committee Meetings was read by the Clerk, Mrs. R.S. Ault. This report on page 1 of the Book of Reports was approved as read.

12. David Leary, after handing copies of the 1971 Calendar of Activities to those who had no copy, moved its adoption. The motion was seconded and passed.

13. Eugene Hager gave registration figures for the night session: 23 Churches repre-

sented by 67 messengers, 18 pastors, and 40 visitors for a total of 125 present.

14. Charles Tanner led in the singing of Hymn #44, "Joyful, Joyful We Adore Thee."

15. A beautiful duet was sung at this time by, Mrs. Hilda Coley and Mr. Earl Head, members of the Spilman Memorial Baptist Church Choir, accompanied on the piano by Mrs. Betsy Thigpen.

16. Reports of Organizations were heard. In the absence of Ralph Knight, Mr. Eugene Hager presented the Sunday School report on page 14 of the Book of Reports. Mr. Hager called attention to the Table of Comparisons, on the inside back cover of the Book of Reports, and said that the reason for the apparent low figure in Sunday School Enrollment is because several of the churches revised their rolls this year. The report was accepted as given.

17. In the absence of Charles Tanner, Mr. Hager also presented the Vacation Bible School report on page 17 of the Book of Reports. Mr. Hager was pleased to call attention to the fact that eleven churches had either 8 or 10 day schools this year. The report was accepted as presented.

18. Elliott Hill presented the Church Training report, which was not in the Book of Reports. After he read this report he commented on the Associational Youth Retreat attended by 81 young people and adults in June at Seymour Johnson Air Force Base. He expressed pleasure over the fact that 16 churches were represented at the "Shaping the 70s" clinic, but that it disturbed him to note the number of churches who had no Training Union Organization.

19. The Moderator reminded those present of the time and place of the meeting tomorrow and asked Rev. Leon Smith, pastor of First Baptist Church, Goldsboro, to dismiss the evening session with prayer.

Second Session

WEDNESDAY MORNING

20. The second day of the 41st Annual Meeting of the Neuse Baptist Association was held at Spilman Memorial Baptist Church, October 28, 1970. Charles Hodges, Moderator, called the meeting to order at 9:45 a.m. Charles Tanner led in singing Hymn #41, "To God Be The Glory." Douglas Holland led in responsive reading #74, "Our Great Commission" and offered prayer.

21. David Leary gave a welcome to Spilman Memorial and information concerning the meal and comfort of messengers.

22. Eugene Hager introduced Ernest Upchurch who spoke on behalf of Metropolitan Missions. He pointed out that there was a growing indifference on the part of Baptists and that until there is a change of attitude there will not be much progress in this field of service. He urged that all church organizations become involved.

23. BUSINESS SESSION. Gordon Conklin, Chairman of the Constitution and By-Laws Committee, presented the Constitutional Proposals. With the consensus of those present, only the parts were read where changes appeared or that were new altogether. The adoption of the Constitution and By-Laws was handled by blocks, a motion to adopt being made for each block by Mr. Conklin, seconded, discussed and carried. When the entire document had been covered the Chairman made a final motion as follows: "That the Constitution, as changed and adopted, and the By-Laws, as adopted, become the Constitution and By-Laws by which and through which we operate, and that it become effective at the close of this session, October 28, 1970." Motion seconded and carried. Mr. Conklin took a moment to thank his committee members for all their work and help.

24. Election of Officers - Herman Lineberger presented the report of the Nominating Committee for Associational Officers as found on page 18 of the Book of Reports. Leon Smith moved the names in the report be accepted for nomination, motion seconded and carried. M.O. Sears moved the election of these people, seconded and carried. The name of Mr. Carlyle Taylor was placed in nomination for Trustee, his term to expire 1973. No other names being placed in nomination a motion was made to elect Mr. Taylor by acclamation, seconded and carried. Mr. Lineberger then presented the names for Denominational Agency Representatives as they appear in the report on page 18, Book of Reports, seconded, carried. No other nominations being made the motion was made to elect these by acclamation, motion seconded and carried.

25. Announcements - Several announcements were made by members at this time of general interest to all. During this period Mr. Charles Tanner said that Mrs. Roland Davis' name did not appear on the Music Committee of the Committee on Committees Report, for at the time no word had been received that she would accept. He could now report that she would accept, if elected to serve on that committee. Mr. M.O. Sears, Chairman of that committee, then made a motion that Mrs. Davis be elected to serve in this capacity, motion seconded, carried.

26. Charles Tanner led in the singing of Hymn #437, "Our Best."

27. The Vice-Moderator was asked by the Moderator, to preside for the remainder of the morning session.

28. Reports - Leon Smith, Chairman, presented the report of the Budget and Finance Committee. He noted that of the $440.00 increase only $140.00 was expected to come from the churches of the Association, that the State Convention was going to be asked to supply the remaining $300.00. Mr. Smith made a motion to adopt the report, motion seconded and carried. The Chairman urged all churches to adhere to the suggested monthly amount allocated for each church becuase the Association was operating on a very close budget.

29. Mrs. George Ham presented the Woman's Missionary Union Report on pages 3 and 4 of the Book of Reports. Mrs. Ham made the motion that the report be accepted, seconded and carried.

30. Mr. H.E. Nickens, Associational Director, brought the Brotherhood Report, found on page 15, Book of Reports. He made the following comments: that he was pleased with the outstanding work in Royal Ambassador organizations throughout the Association, but that he is diturbed by the fall off of baptisms as recorded in the Comparisons Table on the inside back cover of the Book of Reports. He pointed out that the 15 churches reporting Brotherhood work accounted for 60% of the Associations Baptisms. He noted that according to the figures in the Table it took 10 people one year to win one person to Christ. He challenged our 10,398 members to exert a sincere, devoted effort to win 500 people in the Neuse Association to Christ during the year ahead. Mr. Nickens made a motion that the report be accepted, motion seconded and carried.

31. Eugene Hager brought his report as Superintendent of Missions found on page 2, Book of Reports. He told those present that the original purpose for the Association was fellowship, later the purpose of the Association was to discuss doctrinal issues, but today the purpose is to serve the churches. Mr. Hager called attention to the picture on the cover of the Book of Reports and said that it was his hope that the churches would take the initiative in "Shaping the 70's" and not sit back and react to what happens to the world around us as has been the case in the past. The report was accepted as given.

32. In the worship period, Eugene B. Hager read the Scripture, Exodus 4:1-12, Mrs. Nora Jean Hill, from the Choir of First Baptist Church, Kinston, sang a solo. Rev. Charles Hodges, pastor of New Hope Baptist Church, brought the annual sermon on the theme, "What Is That You Have In Thine Hand?" He stated God has placed in

our hands opportunity, obligation and operative tools, that God takes what a man has at his disposal and uses it for His (God's) purposes. We were urged, with the help of our Lord, to see our opportunities, recognize our obligations, and learn to use the tools with which we have been provided.

33. David Leary, pastor of the host church, gave instructions for the noon meal, then called on Rodger Williams for the benediction and blessing.

WEDNESDAY AFTERNOON SESSION

34. Worship - Charles Tanner led in the singing of hymn #5, "God, Our Father, We Adore Thee." Rev. Rodney Beals, pastor of Kennedy Homes Baptist Church, read the fourth chapter of Ephesians and commented that we like Paul must become prisoners of Christ so as to be used according to His purpose, then Rev. Beals led in prayer.

35. Norman F. Arant read the names of the deceased from the churches of Neuse Baptist Association for the Memorial Service. After a period of silent prayer, he led those assembled in prayer.

36. Guy Cain spoke on behalf of the Annuity Board, pointing out all the benefits of participating in the program, and said that he was sorry to note that only 20 of the 34 churches of Neuse Baptist Association were taking advantage of the Annuity Board's benefits.

37. Because Gordon Maddrey could not be present, Mr. Cain also spoke on behalf of the Baptist Foundation saying that the making of one's Will is often delayed until the State makes it for the person. It is the Baptist Foundation that can aid anyone in making sure that their Christian influence will live on long after they are gone, Mr. Cain told the group.

38. Charles Tanner led in singing the hymn #456, "O God, We Pray for All Mankind."

39. M.A. Shaver presented the Biblical Recorder Report, found on page 6 of the Book of Reports. Then he introduced Mr. Marse Grant, Editor of the Biblical Recorder. Mr. Grant spoke briefly leaving the group with the thought that the freedom of our State Convention, freedom of our local churches, and our freedom as individuals should serve to bind us together.

40. Committee Reports - M.A. Shaver made the Place and Preacher Committee report, recommending the place for the 1971 Neuse Baptist Associational Annual Meeting be held at Rosewood, for the Tuesday night session and Kinston First for the Wednesday session, with the preacher to be Eugene Hager, and James Hathorn as alternate. This was moved, seconded and passed.

41. M.O. Sears, Chairman, brought the Missions Committee report found on page 16 of the Book of Reports.

SUPERINTENDENT OF MISSIONS REPORT

It seems to me that our Constitution and By-Laws Committee has done an excellent job. The changes being recommended should make coordination easier and should make possible more team work among your Associational leaders. It couldn't have happened at a better time - with all the changes and plans for the 70's confronting us. I believe the Association will be in a better position to serve the local church. And serving the local church is the Association's main reason for existence.

More and more I find myself called upon for information, interpretation, and counsel concerning denominational plans, programs, and activities. Our denomination has grown so large and offers such a variety of resources and programs to the local church that it is difficult for a busy pastor and local church leaders to keep informed. It is my responsibility to make the Associational Office a dependable source of information and help.

Many of you have expressed the feeling that the association should give more attention to providing training for church leaders. I feel that this should be the first major consideration for the new Executive Committee. We will work at it as a team. Please feel free to offer suggestions and to call on the Association for help when you need it.

Much of my work cannot be reported statistically. But here are some statistics on that part of it which can be:

Preached	37 times.
Talks, speeches, prayer meetings conducted, etc.	31

Rendered some kind of service in 25 of our churches and missions (2 or more times in 18, 5 or more in 8).

SUNDAY SCHOOL REPORT

Our churches have been greatly challenged this past year as we have been in preparation for the new Sunday School look in the seventies. And, by now, the results of this preparation is being felt throughout the Sunday Schools in our Association. Rev. H.T. Waits was called to another church in our state during the year and I was asked to fill out his term. Rev. Waits adequately led us in this preparation, and we are indebted to him for this leadership. Although several clinics were held in our area to prepare us for the tasks we are now facing, we realize that many questions still need answering as we implement the new program. You are encouraged to look at the Sunday School statistics in the back of your Book of Reports to see how great our needs are in the Bible Teaching Program of the Church.

Now, what does the future hold for us? The Sunday School is only a part of the total Bible Teaching Program of the Church. Great emphasis is now being directed towards the Outreach Ministry of our Bible teaching efforts, such as new Sunday Schools, extension Bible classes, courses, and conferences, family ministries, visitation, witnessing, and concern for those who are away for some cause, or homebound, or work on Sunday and can't come. Now, we are looking for seven-days-a-week opportunities to teach the Bible, and express a concern through personal ministry to others. This is exciting and challenging to every concerned church. The new literature has been well received. When our leaders learn that the literature is geared to dialogue and involvement of every class member, and not to our "well-worn" lecture methods of the past, it will be even more appreciated. We will be stressing teaching improvement by use of newer and more effective methods of teaching, and better planning on the part of leaders as we determine goals and aims in our teaching.

Your Associational leaders stand ready to help you when you call upon us. We will be having question and answer clinics in the near future as well as the UNDERSTANDING and the GUIDANCE books that are available. Ask God's leadership, and let's have the best Bible Teaching Program possible as we seek to reach more people for His glory.

Ralph W. Knight

CHURCH TRAINING REPORT

During these changing days, some are saying that a Baptist Church does not have to have a Training Union. This is true. However, if a Baptist Church is to continue to be a New Testament Church, an on-going Training Program is essential and vital to equip its members to be effective-extraordinary Christians.

Church members need specific training in the following areas:

1) A solid grounding of personal beliefs about God so we can explain them to our fellowman.

2) To live and act like Christians day by day.
3) To know better the history of our Faith.
4) To better understand how New Testament Baptist Churches are organized, operate and work together.

If your church has a complete Training Program it has the basics to help orient new members, train them to perform their functions of the church, provide needed information about the Church and Denomination - plus discovering, recruiting and training new leaders. Your Church's Training Department can organize and lead in the special projects that must come up from time to time. It is still the task of the on-going Training Program to teach Systematic Theology (what we believe about God and His Church), Christian Ethics (how to act like a Christian today, Church History (what we are and have been as a church), Church policy and organization (how we carry out the Great Commission).

Our Convention provides us with some of the finest Christian literature in the world. These tools are available to help us obtain our objectives and to face the 70's with victory. But, it isn't enough that these tools are available and it isn't enough to persuade church members to attend Training Union at an appointed time. It is vital and essential that a Training Program be made available that will interest these members and that will contribute significantly to their effectiveness as Christians doing the Lord's work. Imagination and initiative in the use of the available materials is needed - that we in the crisis of the 70's not let these great tools become crutches and thereby destroy the very purpose for which they were created.

With Christian thanks to our Lord Jesus Christ, co-workers Frank Bowers, Larry Austin, Clyde Patterson and all others who helped make this past year a good one - this report is,

Respectfully submitted,
Elliott Hill

W.M.U. REPORT

The Women's Missionary Union receives its marching orders from Christ who told us in the great commission to go into all the world and make disciples. We seek to do this by teaching missions, engaging in mission action and praying and giving, or mission support.

In teaching missions, Leadership Courses were taught to the associational officers and leaders of the age-level organizations. Three five-hour courses have been held during the past year - two in Goldsboro and one in Kinston.

The spring Meeting was held March 19 at the Adamsville Baptist Church. Miss Sara Ann Hobbs, of Raleigh, was guest speaker. She introduced the new names and magazines for the W.M.U. organizations:

The new W.M.U. names are:		The Magazines are:
Baptist Women	30 yrs. and up	Royal Service
Baptist Young Women	18 yrs. to 29	Contempo
Acteens	12 yrs. to 17	Accent
Girls-In-Action	6 yrs. to 11	Discovery
Mission Friends	Birth to 5	Start

Rev. and Mrs. William McElrath, missionaries to Indonesia, were guest speakers at the Associational G.A. Rally at the Kennedy Home on March 20. The Sunbeams held their promotions in their respective churches.

BROTHERHOOD REPORT

Our Brotherhood work has made a little progress this past year, but we are planning and looking forward to a much better year for 70-71. Under the capable leadership of our RA Leader, Mark Hood, our RA's had a very outstanding year. Our Association was third in the State RA Track Meet held in Winston-Salem and one boy from our Association won more Blue Ribbons than any other boy. One new RA Chapter was started at Love Memorial.

Our first RA - Baptist Mens Cook-out was held in September at Camp Wacoboc. This was very successful with 85 men and boys in attendance. Several churches sponsored baseball teams with Love Memorial winning the championship. We are very pleased with our RA work and want to thank each one that had a part in making this year so successful. We had our workshop for Baptist Men and RA Leaders at First Church in Kinston in January. This was very well attended.

We did have the pleasure of attending 6 of our Brotherhood meetings in other churches and it was good to see so much interest in these men.

There was one new Brotherhood work started at Love Memorial and I am sure they will have a good work going there.

It was very interesting to note that the 12 churches with Baptist Mens work had 57% of the total Baptisms last year. Only 1/3 of our churches have Baptist Mens Organizations.

1970 CAMPING REPORT

The Neuse Association Camping Committee is pleased to report that sixteen boys attended Camp CaRaway the eighth week and four girls attended Munda Vista. They were transported to Camp and back in a rented school bus driven by members of the Kinston fire department hired for this purpose. There was no problem in getting boys enrolled in camp, but it was very disappointing that it was not possible to register more girls for Camp Munda Vista. This was the second year of operation and there were more requests than could be handled. Apparently this lovely spot is in such demand that camp registrations are completely filled the first day or two that applications are accepted.

The Camping Committee thinks it advisable to suggest that applications, (names, addresses and ages) be submitted from the various churches in January, together with registration fee of $8.00 (eight dollars) each, even if refunds have to be made to those who have a change in plans later; these applications to be placed in the hands of the

Camping Committee at that time. Applications can then be forwarded immediately when the first request for such is received from the Baptist State Convention Headquarters.

It is the recommendation of the committee, even though the alloted amount was not spent this year, that the same amount of $200.00 be included in the budget for this excellent phase of church activity this coming year.

I wish to sincerely thank Mrs. Cecil Burke of LaGrange and Rev. Frank Bowers of Love Memorial Church, Goldsboro, co-workers on this committee. It was a privilege to serve the Lord with these dedicated Christians.

R.W. Getchell, Chm.

MISSIONS COMMITTEE REPORT

Your Missions Committee studies and advises with reference to missions within the association, and seeks to relate the work of the association to the State Baptist Convention.

During the year we reviewed and forwarded applications for pastoral aid to the Baptist State Convention all of which was granted.

Our second area of work involved a continuation of the study and preparation of "Guidelines For All Mission Work Sponsored By the Association." Although we had several meetings on this study and preparation, we did not succeed in completing it for presentation to the association. We, therefore, refer this work to the Missions Committee of 1970-71.

A third work of your Missions Committee was in the preparation of a list of duties relating to our Superintendent of Missions. These duties are listed under Section 12 of the By-laws of our new Constitution and By-Laws to be presented to the association by the Constitution Committee.

A fourth consideration was in response to a request coming from the Pink Hill Mission, that the association assist the mission in being constituted into a church. After much discussion, it was the thinking of the committee that another year for growth may find the mission in better circumstances to assume full responsibilities of a church. We commend the Pink Hill Mission for its progress.

The Missions Committee has reviewed a monthly report of the work of our Superintendent of Missions, Rev. Eugene Hager. We wish to commend him for his dedication to the work and his most capable leadership in the Neuse Baptist Association.

Respectfully Submitted,
M.O. Sears, Chmn.

RESOLUTIONS COMMITTEE

Whereas the messengers and visitors to the forty-first session of the Neuse Baptist Association have enjoyed the warm hospitality and the inspiration of the 1970 sessions of the annual meeting, be it resolved that:

We express our sincere appreciation to the pastor and people of the Emmaus and Spilman Memorial Baptist Churches for providing comfortable and attractive meeting places and for the delicious meal provided by the people of the Spilman Memorial Baptist Church.

We commend the Program Committee for its fine work in planning these sessions,

and that we express our appreciation to all who took part.

We express our thanks to the officers of our Association for their work and labor of love during the past year, and for the fine way in which they have conducted these sessions of the Association.

Whereas we are keenly aware that we are admonished in God's Word that we are to pray for those in authority. Be it also resolved that we pray God's leadership for our President and Congress in these trying times and for our service men, especially those now serving in battle areas of Viet Nam.

And last, that we as an Association, as churches, and as individuals, dedicate ourselves anew to the supreme task which our master has committed to us.

J.C. Hill, Chairman

EVANGELISM REPORT

A recent source of encouragement was the Evangelism Research Seminar on October 5-6 at Southeastern Seminary. Sponsored by the Division of Evangelism of the Baptist State Convention, the seminar included an in-depth study of five papers related to evangelism. Each of the five presentations brought into focus the need for us to seriously re-think commonly held ideas on witnessing effectively in American society.

The decade of the 70's is calling for a maturing concept of evangelism among us Baptists. We must lead persons to Christ AND teach them "to observe all things." We must reach more people, but we must also discover for ourselves and teach them the meaning of discipleship now. Our message and our methods are under indictment today because many of those whom the church has "evangelized" are unable to see or are unwilling to accept the responsibilities of being christian in a complex society. In fact, we are held suspect not because of the people we have NOT won to Christ, but because of the behaviour patterns of many of those who are already "safe inside" the church.

We have in this decade an unprecedented opportunity to evangelize by example. Let us in unison meet the challenge!

The Statewide Evangelism Conference is scheduled for February 1-2, 1971 at Greensboro's War Memorial Coliseum.

Earl D. Farthing

ANNUAL AUDIT REPORT

We have examined the financial records of the Neuse Baptist Association for the period from September 25, 1969 to September 25, 1970, and have prepared the accompanying statement of Cash Receipts and Disbursements. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances, except that no verification was beyond their records.

In our opinion, with the exception stated in the preceding paragraph, the accompanying statement of Cash Receipts and Disbursements presents fairly the cash position for the period then ended.
